Immediate Requests of the MRRA Board from the Brunswick Town Council:

1. Follow through on the request to shut off the PFOS-AFFF fire protection system in Hangar 6 by September 30.
2. Hire an airport fire protection specialist to advise on the short-term plan for fire protection in Hangar 6, and the long-term plan for replacement of all other legacy PFAS AFFF fire suppression systems.
3. Continue the timely follow through on all other Resolution requests, including public disclosure of all requested documents.
4. Have all MRRA Board meetings properly publicly noticed and returned to the pre-Covid protocol of having at Town Hall where they can be televised and recorded.
5. Support and advocate for nominations from the Town of Brunswick for any Board openings, as provided for by statute.
6. Request that the Legislature and Governor permanently reconfigure the MRRA Board to be more representative of the local community, including Brunswick elected officials, and residents and business owners of Brunswick Landing.
7. Collaborate with the Town of Brunswick on public outreach efforts including supporting the Town's "Notify Me" function with MRRA mailing lists, three (3) town hall meetings on the Landing, and standing quarterly reports to the Town Council.
