

**PUBLIC NOTICE  
SIXTH FIVE-YEAR REVIEW  
FOR FORMER NAVAL AIR STATION  
BRUNSWICK, MAINE**

The United States Naval Facilities Engineering Systems Command Base Realignment and Closure Program Management Office (NAVFAC BRAC PMO), in conjunction with the U.S. Environmental Protection Agency (USEPA) and the Maine Department of Environmental Protection (MEDEP), is conducting a Sixth Five-Year Review for the Former Naval Air Station (NAS) Brunswick, located in Brunswick, Maine. The purpose of the Five-Year Review is to ensure that the selected remedies are effectively protecting human health and the environment as intended.

Under the Comprehensive Environmental Response, Compensation and Liability Act (also known as Superfund), reviews of long-term remedial actions are required every five years to verify continued protection of human health and the environment until sites are deemed suitable for unlimited use and unrestricted exposure. The Navy completed and signed the last Five-Year Review on September 29, 2020.

The Administrative Record is available at the Curtis Memorial Library, 23 Pleasant Street, Brunswick, Maine 04011, (207) 725-5242, [www.curtislibrary.com](http://www.curtislibrary.com) during normal business hours. The Administrative Record documents are also available at the Navy's BRAC website: <https://administrative-records.navfac.navy.mil/?ML324WXMKRG47WL>

If you have any questions or would like more information about the sites, please contact:

Ms. W. Rachelle Knight  
BRAC Environmental Coordinator  
BRAC Program Management Office East  
4911 South Broad Street, Building 679  
Philadelphia, PA 19112

**INTERVIEW QUESTIONS**  
**SIXTH FIVE-YEAR REVIEW**  
**FORMER NAVAL AIR STATION**  
**BRUNSWICK, MAINE**

*Please use other side for additional comments.*

1. Are you aware of the Navy's ongoing environmental cleanup activities at the Former NAS Brunswick base (for Sites 1 and 3, Site 2, Site 7, Site 9, Site 12, Quarry Area, Eastern Plume, and the Picnic Pond Stormwater Retention System)? If so, please summarize how you learned about these activities.

2. Have the Navy's environmental cleanup activities at the Former NAS Brunswick base had any effects on the surrounding communities? If so, please describe these impacts.

3. Please describe community concerns regarding cleanup activities at the Former NAS Brunswick base that you are aware of.

4. Are you aware of any complaints, incidents, unusual activities (e.g., vandalism, trespassing), or emergency responses by local authorities at the Former NAS Brunswick base?

5. Do you feel well informed about the environmental cleanup activities and progress at the Former NAS Brunswick base? Are there additional outlets that the Navy could utilize to help share information related to such activities?

6. What is your overall impression of the remedial actions conducted or planned at the Former NAS Brunswick base?

7. Do you have any comments, suggestions, or recommendations regarding the management of environmental cleanup activities at the Former NAS Brunswick base?
