<sup>1</sup> Section 212. - Emergency ordinances.

- (a) To meet a public emergency affecting life, health, property or the public peace, the council may enact one or more emergency ordinances, but such ordinances may not levy taxes, grant, renew or extend a franchise, or authorize the borrowing of money.
- (b) An emergency ordinance shall be plainly designated an emergency ordinance and, after the enacting clause, it shall contain a declaration stating the existence of an emergency, which shall be described in clear and specific terms.
- (c) An emergency ordinance may be enacted with or without amendment or rejected at the meeting at which it is introduced, but the affirmative vote of at least 6 councilors shall be required for enactment. After its enactment the text of the ordinance shall be published and printed in a newspaper having a general circulation in the community, where it is reasonable to do so in the opinion of the council, and posted in at least 2 public places. Otherwise, the notice must contain a reasonable summary of the enacted ordinance. It shall become effective upon enactment, but it shall automatically stand repealed as of the 50th day following the date on which it was enacted unless it had been enacted as a regular ordinance according to sections 210 and 211 of this article at the time it was adopted as an emergency ordinance.
- (d) An emergency ordinance may be repealed by the enactment of a repealing ordinance in the same manner specified in this section for the enactment of emergency ordinances. An emergency ordinance may become a regular ordinance by its reenactment according to sections 210 and 211 of this article.
